Villa 1863 Fact Sheet

About this property

Beautiful apartment located on the 3rd floor with elevator of a typical Parisian building. You enter the apartment through an entry corridor, which opens left to the living oriented East and 2 windows south. From the window, you can admire the River Seine, The Whole Left Bank and of Course Notre Dame.

The living room consists of a large and comfortable couch, two lounge chairs in front of the fireplace, a meridian and a reading area. From the living you have access to the dining room, which is connected with the entry corridor as well.

Fully equipped Kitchen, one amazing bathroom with Tub, double basin, and amazing scenery. Separate toilet. The 2 double bedrooms are at the end of the corridor on the right and on the left, ending by the toilet.
